Discussions:

1. S.A. on Registration Certificates – A clip out will be published in the Boer Breeder for a “yes” or “no”. Fill this out and let us know what you want.
2. Ennoblement Program in effect January 1, 2004.
3. Medallion Program – will continue to work on
4. 2004 National Show Site – will not be at the Battle Arena. Looking at other locations, Little Rock, Arkansas, Lawton, Oklahoma, Louisville, Kentucky and DeSoto County, off I-55 in Mississippi.
5. Also working on some other programs you’ll be reading about in the Boer Breeder.

Treasurer’s Report – Don Applegate

1. Great deal of money spent on computer hardware and software. When we started out changing the program, we were told it should be in place in April. Expressed the doubts he had of that timetable.
 - A. Phase I almost complete – to register animals.
 - B. Phase II ready to start – will get the Medallion program working.
2. All bills are paid. Robin is careful to pay when due.
3. This past calendar year we took in almost half million dollars. In fact, we spent almost all of it. Right now we have the greatest cushioning we have had for sometime. Later this year, when we’re through working with DSB we’ll be able to put a few more dollars in the bank and look at other areas.

James Kyle turned the meeting over to Chris Schallberger – Youth Coordinator.

Chris Schallberger gave a report on the silent auction and explained the way the Junior Herdsman receives hours for his or her work. Chris read letters submitted by the Junior Herdsman members. Gave out belt buckles to 27 Junior Herdsman members as opposed to 8 last year. Congratulations were extended to all Junior Herdsman Members. Stick Goat Auction was conducted by Ken Thompson.
